

LMK-02

The rugged AG Neovo LMK-02 wall mount kit ensures 32" or larger displays mounted safely in public environments.

With the selective and quality steel, the LMK-02 wall mount assures stability and reliability. It is committed to keep displays firmed on the brick or stud walls, even in harsh environments. The adjustable tilt function provides more comfortable viewing angles. Compatible with various VESA standards, the LMK-02 perfectly suits 32" or larger displays weighing up to 80 kg.

- > Enduring steel provides reliable performance
- > Quick and intuitive installation
- > Flexible tilt adjustment
- > Compatible with VESA standard (Max. 440 x 330 mm)
- > Lockable safety bar (padlock not included)
- > Weight capacity: 80 kg
